

TO REBUILD GAZA

إعادة إعمار غزة

HOW DID WE COME UP WITH THE IDEA?

- ✘ Looking back at the events that occurred in Gaza, the group decided to find a way to help the people who were victims of the bombings. Therefore we had a wonderful opportunity to incorporate with a company under the name of “Our Seven’s World”.

MORE ABOUT THE COMPANY

- ✘ The company Our Seven's World is a humanitarian company which organizes charity events and tries to help finding solutions for major issues mainly in the middle east. It organized many campaigns such as “Umi Campaign” where they were responsible for collecting money (as donations) in order to help the mothers of the middle east to educate, raise their children and supply them with their basic necessities.

#TOREBUILDGAZA

- ✘ #ToRebuildGaza is one of the campaigns held by company 7. As the title of this campaign suggests its aim is to try and get as much donations as possible in order to try and rebuild parts of Gaza. A sticker with #ToRebuildGaza written on it is the tool used identify this campaign. Three sister working in the company created this campaign.

OUR PART

- ✘ Each member of the group received fifteen #ToRebuildGaza stickers and each member was responsible for selling their given stickers. Each sticker is sold for two Jordanian dinars.
- ✘ There are many other groups who where helping in this awareness campaign though our focal point is the Modern Montessori School through which we represent.
- ✘ All the money donated will go directly to the city of Gaza.

OUR AIM

- ✘ To sell all the stickers given and to receive as much money as possible in order to donate for the city of Gaza.
- ✘ To increase awareness not only about the campaign but also about all the suffering and troubles the people of Gaza are going through.
